

## Duolingo access for GEMS WSF students

All students at GEMS WSF have access to Duolingo for free!

Duolingo is a language app that can be used on any phone, tablet or handheld device.

Through short, easy to access activities- students are able to improve their English Language development.

Duolingo focuses on all 4 English Language skills: Listening, Speaking, Reading and Writing.

Just 10 minutes a day will make a huge difference to student's English development. However, they are welcome to do more!

The amount of time they spend on the app will be tracked, monitored and added to a leaderboard!

There will be a primary classroom and a secondary classroom.

In order to join, follow the instructions below:

### Primary

- 1) Download Duolingo onto your phone or tablet.
- 2) Click the settings button and go to "Duolingo for Schools" or click this link- [www.duolingo.com/classroom/mvswjm](http://www.duolingo.com/classroom/mvswjm)
