This summer, my family and I went to the beach for our vacation. We were all excited to spend time together and enjoy the sun. We packed our car with everything we needed, like towels, sunscreen, and snacks. The drive to the beach took a few hours, but we had fun singing songs and playing games in the car.

When we arrived at the beach, we went straight to the water. The sand was warm, and the ocean was cool. My sister and I built a big sandcastle, and my parents relaxed under an umbrella. We also tried new activities like paddleboarding, which was tricky but a lot of fun. One day, we saw dolphins on a boat tour, which was amazing!

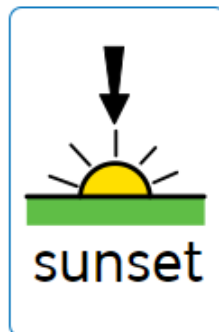

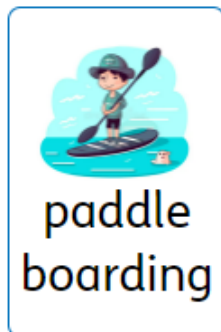

In the evenings, we enjoyed delicious dinners at local restaurants. My favorite meal was fish and chips, and my sister loved the chocolate ice cream. After dinner, we walked along the beach, collected seashells, and watched the beautiful sunsets. Our vacation was full of fun and brought us closer together as a family.

1. What did the family pack in their car for the beach trip?

2. What activities did the family do when they first arrived at the beach?

3. What new activity did the family try, and what was challenging about it?

5. What were the writer's and their sister's favorite meals during the vacation?
